"I really enjoyed that the AHIVOY program gave us the opportunity to see all aspects of the wine industry. We got to follow the wine from the vineyard, winery, tasting room and then to all the business stuff like marketing, accounting, finance, and sales."

"I would recommend the AHIVOY program to anyone in the industry who wants to learn more about the work they do. It really helps clear up questions about why we might be doing a certain task."

-Ivan George, Vitis Terra Vineyard Services
